FALL • WINTER 2015
VOL. VII

HOMME

Scents are created more than just to make you smell good, but to also evoke an emotion or launch a nostalgic moment. When one thinks of the fall/winter season, you associate words like chilly, cozy, sweaters, and fireplace (amongst others). A time to be close to loved ones in sharing intimate moments. But with 0.2 Fragrance, you'll be

able to capture these feelings and more. The intoxicating unisex scent features top notes of Italian Bergamot and Spearmint, while infused with middle notes of Neroli and Orange Blossom. The scent rounds out with base notes of Sheer Musk Accord, Tunisian and White Amber, Oakmoss and French Vanilla. So allow yourself to dive deeper within
